

DILLI G

Address: No.180(3), Perumal Kovil Street,
Paruthimeni kuppam, Thandalam - 601102
Email id: dilligopal2006@gmail.com
Contact: 9600025195
LinkedIn: www.linkedin.com/in/dillig/

CAREER OBJECTIVE

To begin my career with a reputed engineering organization where I can utilize my skills in BIM, Revit, AutoCAD, ArcGIS Pro, and civil engineering principles to support multidisciplinary projects. I aspire to contribute to efficient project execution, embrace emerging technologies, and build expertise in engineering design and digital construction.

EDUCATION

Degree/ Examination	Year of Passing	School/Institute	Board/University	Percentage%/ CGPA
B.E (CIVIL ENGINEERING)	2027	R.M.K. Engineering College	Anna University	7.91 (till 6 th sem)
Class XII	2023	Sri Sankara Matriculation Higher Secondary School	Higher Secondary Certificate	90.8
Class X	2021	Sri Sankara Matriculation Higher Secondary School	Secondary School Leaving Certificate	100

AREA OF INTEREST

Concrete technology
2D Drafting
Design and visualization using Building Information Modelling.

PROJECT WORK

1. “Digital Twin using Revit and ArcGIS pro” | *during 6th semester*

Developed a digital twin–ready BIM framework for a G+9+Terrace commercial office building located in Avadi, Tamil Nadu, integrating architectural, structural, and MEP models with asset-based data management. The project incorporated life cycle assessment (LCA), clash detection, quantity schedules, and coordinated construction documentation to support sustainable and data-driven building management.

2. “Livestock Cattle Tracker” | *during 1st to 4th semester (2023 -2025) |*

Developed an IoT-based Livestock Cattle Tracker using Arduino Nano, GPS/GSM modules, Flask, HTML, and CSS for real-time cattle monitoring. Implemented geofencing alerts, web-based tracking, and prototype hardware to improve livestock security and management. Designed and tested the system for accurate location tracking, theft prevention, and remote monitoring applications.

INTERNSHIPS

Studio 6 Architects & Planners | 22 June 2026 – 30 June 2026 Acquired practical knowledge of residential planning, AutoCAD 2D drafting, and construction methodologies.

Om Saravanabava Associates and Builders (2D Drafting and Site Supervision) | 01 June 2026 – 20 June 2026 Acquired practical knowledge of residential planning, AutoCAD 2D drafting, and construction methodologies.

Hari Sai Constructions (Different Phase of Construction) | 10 June 2025 – 25 June 2025 Completed a 2-week internship with exposure to construction and renovation activities, including soil testing, concreting, reinforcement, curing, masonry, and quality control.

CONFERENCE

- 1. Fire Resistant Building Materials and Design, International Conference on Core Engineering and Technology (ICCET-26), PERI Institute of Technology | 30 Mar 2026** Co-authored a research paper on an aerogel-based hybrid wall system integrating fire-rated concrete cladding and PU waterproofing to improve fire resistance, thermal insulation, and moisture protection for disaster-resilient buildings.

ACHIEVEMENTS

City Level Finale Challenge, Bharat NavNirmaan - NICMAR University | 09 Mar 2026 Secured participation in the Bharat NavNirmaan City Level Finale Challenge, a national-level competition conducted by NICMAR University at Medai – The Stage, presenting on Net Zero Buildings with a focus on sustainable design strategies and energy-efficient construction practices under the mentorship of Dr. Hemamathi Anand and Dr. L. Andal.

Excellence Award – Commercial Building Category, L&T EduTech – Build the Future BIM Contest 2025 | 08 Jan 2026 Received the Excellence Award as part of Team Revit Shapers from R.M.K. Engineering College for contributing to the BIM design and development of a G+9+Terrace commercial building, including architectural, structural, and MEP coordination, clash detection, LCA integration, and digital twin-ready planning.

First Prize – ModelMania, Build Our Bharat 2047, Chennai Institute of Technology | 19 Dec 2025 Secured First Prize for presenting a 10-storey commercial office building model, demonstrating conceptual planning, spatial organization, vertical circulation, and design feasibility.

First Prize – Paper Height, INZNIK 2K25 Symposium, Velammal Engineering College | 20 Sep 2025 Won First Prize for designing a paper tower capable of sustaining a 10 kg load without deformation, showcasing structural planning, teamwork, and problem-solving skills.

Second Prize – Build and Decor, WAFES 2025 Symposium, Meenakshi Sundararajan Engineering College | 17 Apr 2025 Secured Second Prize in a national-level design and construction event, demonstrating creativity, teamwork, and innovative problem-solving in construction-based challenges.

CERTIFICATIONS

I. NPTEL certification

- Renewable Energy Engineering: Solar, Wind and Biomass Energy System (Jan-Apr 2026 (12- week course))
- Electronic Waste Management - Issues And Challenges (Jan-Feb 2026 (4-week course))
- Ground Improvement (Jul-Oct 2025 (12-week course))
- GPS Surveying (Jan-Feb 2025 (4-week course))

II. AUTODESK

- Foundations of Revit (Mar 2026)
- Introduction to BIM for the AECO Industry (Mar 2026)

III. COURSERA

- BIM Fundamentals for engineers (May 2025)
- SketchUp: how to start modelling simple 3D objects (Mar 2025)
- ArcGIS for Beginners: Mapping Urban Green Spaces (Mar 2025)

IV. BENTLEY

- Design and Analysis of RCC Structures (Oct 2025)

SOFT SKILLS

Quick learner
Team Building
Leadership Quality
Adaptability and Flexibility

SOFTWARE PROFICIENCY

Technical Software : AutoCAD, STAAD Pro, SketchUp, Revit.
Programming : HTML (Basic), CSS (Basic), JavaScript (Basic).

PERSONAL DETAILS

Father's Name: J. Gopal
Date of Birth : 12th March 2003
Linguistic Proficiency: Tamil.

REFERENCE

Name : Dr. Hemamathi. A
Designation : Associate Professor Institution: R.M.K.Engineering College
PH.No : 98404 76978
Email id : ahm.ce@rmkec.ac.in

DECLARATION

I, DILLI G, do hereby confirm that the information given above is true to the best of my knowledge.

Date: 01/07/2026

Place: Chennai
